In this emblematic amphitheatre, you will be able to discover its audio-guided tour, its multimedia alcoves as well as its great enigma game. A true jewel of the Roman era, the Nîmes Arena is the best preserved amphitheatre in the world.

THE MAISON CARRÉE

The Maison Carrée is without a doubt the best preserved Roman temple in the world. Built in the early years of the 1st century, this building was dedicated to the cult of the imperial family. Discover its new museography based on the history of the Maison Carrée (cults, influences, architecture, excavations, restorations...)

THE TOUR MAGNE

At the heart of the Jardins de la Fontaine, the Tour Magne, the only remaining vestige of the Roman walls of Nîmes, offers an exceptional panorama of the city. A tactile table presents the evolution of the town's urban planning.
